## Disclosure and Forward-Looking Statements

Some of the information on this Web Site may contain projections or other forward-looking statements regarding future events or the future financial performance of the Company. We wish to caution you that these statements are only predictions and that actual events or results may differ materially.

## Cookies

A cookie is a small data file that certain Web sites write to your hard drive when you visit them. A cookie file can contain information, such as a user ID that the site uses to track the pages you've visited, but the only personal information a cookie can contain is information you supply yourself. A cookie can't read data off your hard disk or read cookie files created by other sites. Some parts of SLI Systems.com use cookies to track user traffic patterns. We do this in order to determine the usefulness of SLI Systems.com information to our users and to see how effective our navigational structure is in helping users reach that information. S.L.I. Systems, Inc. does not correlate this information with data about individual users, nor does it share this information or sell it to any third party.

If you prefer not to receive cookies on SLI Systems.com, you can set your browser to warn you before accepting cookies and refuse the cookie when your browser alerts you to its presence. You can also refuse all cookies by turning them off in your browser. You do not need to have cookies turned on to use any area of SLI Systems.com.

#### Products and Services Availability

Because international information is provided at this Web Site, not all products or programs mentioned will be available in your country. Please contact your local sales representative for information as to products and services available in your country.

#### Links to Third-Party Sites

This Web Site may contain links to third-party sites. Access to any other Internet site linked to this Web Site is at the user's own risk and SLI Systems is not responsible for the accuracy or reliability of any information, data, opinions, advice or statements made on these sites. SLI Systems provides these links merely as a convenience and the inclusion of such links does not imply an endorsement.

#### Access to Password-Protected/Secure Areas

Access to and use of password-protected and/or secure areas of the Web Site is restricted to authorized users only. Unauthorized individuals attempting to access these areas of the Web Site may be subject to prosecution.
